

Cross-Cultural Activity Report for Renewals

Sharing your culture with people you meet in the US, while experiencing American culture are essential components of the J-1 Teacher Exchange program. Department of State regulations require that you complete at least one cross-cultural activity from EACH of the following two categories for each year of teaching:

- (i) An activity for the teacher's classroom, larger host school or host school district population, or the community at large designed to give an overview of the history, traditions, heritage, culture, economy, educational system and/or other attributes of his or her home country; and
- (ii) An activity that involves U.S. student dialogue with schools or students in another country, preferably in the exchange teacher's home school, through virtual exchange or other means, in order to supplement the goals of the in-person exchange.

****Please use this template for your Annual Report and be sure to include a *minimum* of one activity from EACH of the categories above from your past year of teaching.** If you engaged in more than two activities, we encourage you to submit as many as you engaged in.
